Harrah's Waterfront Conference Center

NOVEMBER 17 - 20 2026

with Exhibits on November 18 - 20

WHO WE ARE What we do....

The National Conference on EMS is one of the largest EMS Continuing Education events in the Northeast with over 1000 attendees and participants throughout the four-day meeting. The meeting agenda offers unopposed exhibit times allowing exhibitors and sponsors to have meaningful, one-on-one conversations and powerful networking opportunities. All meal functions and session breaks take place on the exhibit floor to encourage high traffic and strong interaction.

WHO ATTENDS

All divisions of EMS are represented - first responders (ALS and BLS / volunteer and non-volunteer); emergency physicians and ER medical personnel, fire and rescue, police, traffic safety, and emergency management.

FACULTY

The NCEMS faculty is nationally and internationally renowned. Educators are highly acclaimed experts in their field and bring the latest technology, important tools, and protocols based the most current evidence to teach and engage all levels of first responders.

WHO EXHIBITS

The NCEMS Expo is a diverse and broad spectrum representation of the EMS industry. Whether you teach IT, offer financial and billing services, recruit for your hospital EMS, customize first responder attire, or manufacture and sell ambulances - just to name a few - all have an important presence at this conference. Consider how your company may connect with this essential and critical market to showcase your products and services. Exhibitors may sell products and/or services from their display. Please see guidelines for Expo sales posted to our website at www.nationalconferenceonems.com.
